

SAFEGUARDING RISKS ACROSS THE UK

CRIME RATES 2021-2022

This year, the Office for National Statistics announced that recorded crime in England has hit a 20-year high.

As an apprenticeship training provider, it's our duty to increase your awareness of issues outside of the workplace.

Therefore, we've analysed the 2021-2022 crime statistics to help you become more conscious of the risks in your local area.
